*JOB ANNOUNCEMENT*  
**ASSOCIATE TRANSPORTATION PLANNER**

The Alameda County Congestion Management Agency (CMA) is seeking a qualified candidate for the position of Associate Transportation Planner. The CMA is a countywide transportation planning and programming agency responsible for the congestion management program, long range county transportation plan, and programming of projects for state and federal funding. The CMA is a small organization of ten staff. Alameda County is the sixth largest county in California and the second largest in the Bay Area. It is economically and culturally diverse with a population of 1.5 million.

Candidates for the position should have experience transportation planning, coordinating multi-jurisdictional planning processes, analyzing travel demand model inputs and outputs and reviewing environmental documents. The ideal candidate will have knowledge and experience with implementing strategies to better integrate transportation and land use.

This position is funded by Metropolitan Transportation Commission from a three-year planning grant. It is anticipated that the funding will continue beyond the first three years.

**SALARY RANGE:** \$67,400 to \$87,700 Annually

**APPLY BY:** 3:00 PM, Tuesday, August 12, 2003

**APPLICATIONS AVAILABLE FROM:** Alameda County CMA  
1333 Broadway Suite 220  
Oakland, CA 94612  
Telephone (510) 836-2560

THE POSITION

Under the general supervision of the Deputy Director of Planning, the Associate Transportation Planner performs planning and analysis requiring the application of a wide range of transportation planning, land use planning principles and techniques and travel demand modeling. The Associate Transportation Planner will coordinate multi-jurisdictional planning processes and/or projects and assist the Deputy Director in the development and implementation of strategies to better integrate transportation and land use planning.

EXAMPLES OF DUTIES

- Assist in the management of major work program areas, such as the Countywide Transportation Plan or a range of elements in the Congestion Management Program.

- Conduct extensive transportation and land use research and analysis; write comprehensive and professional reports, including findings and recommendations.
- Analyze and comment on environmental documents required by the Congestion Management Program.
- Assist the Deputy Director in the development and implementation of strategies to better integrate transportation and land use
- Manage consultants, monitoring progress and budgets
- Represent the CMA before other agencies including Alameda County, the cities in Alameda County and transit operators. Develop data, information, explanations, and other expert advice as needed. Attend meetings and make presentations.
- Represent the CMA as liaison to other organizations, and/or coordinate major transportation planning efforts involving Alameda County CMA.

### MINIMUM QUALIFICATIONS

#### EDUCATION

Possession of a Bachelor's degree or higher from a recognized college or university with a major in transportation planning, urban or regional planning, or a related discipline.

#### EXPERIENCE

The equivalent of two years of full time, increasingly responsible experience in transportation planning, land use planning, or a related field. Possession of a Master's degree in an appropriate discipline may substitute for one year of the required experience.
